

DEDICATED TO...

Lt. SH. ASHOK SINGHAL
(Feb. 21st, 1959 to May 13th, 2012)

*A guided soul that
touched thousand lives ...*

OUR GUIDING FORCE

Lt. Sh. Ashok Singhal, the founder of this reputed institution was a great social server. “There is nothing good or bad, but thinking makes it so”. Getting inspiration from these words, he envisaged an educational system based on moral values of dedication, hard work, determination and service above self. All students were heartily affectionate to him. The outcome of his untiring efforts is apparent to all. Within a short span of 22 years, this budding institution has made a mark in the corridor of education. Besides academics, our students have excelled in various fields of extra curricular activities. Lt. Sh. Ashok Singhal would have loved to see his students attain such great heights. He used to say, “Every student of my school should shine like a star.” His invisible spirit, I am sure, would keep on guiding us in our endeavour to serve the society through education.

Lt. Sh. Ashok Singhal believed “Hard work is the key to success.” He also stressed that without the willing co-operation of parents, staff and society at large, an educational institution cannot be successful in its mission. “Students are the pillar of a nation.” So the strong bond of love and respect between students and teachers not only makes the teaching process enjoyable but a strong nation also.
